Tuesday, September 27, 2011

8:30 am to 11:30 am

NV Energy, 6226 W Sahara Ave, 1st Floor, Wengert Room, Las Vegas

RENO

Wednesday, September 28, 2011

8:30 am to 11:30 am

NV Energy, 6100 Neil Road, Room B7, Reno

Interested parties may participate via telephone conference by calling toll-free:
(888) 636-3807; Access Code: 6652155

The purpose of these meetings is to provide building jurisdiction, building professional and other interested parties an opportunity to work with the Nevada State Office of Energy as we begin the 90% compliance sampling in Nevada.

AGENDA

1. 90% Compliance Assessment (brief overview)
 - a. Starting the 90% compliance assessment to measure level of compliance:
 - (in southern Nevada against the 2009 IECC)
 - (in northern Nevada against the 2006 IECC)
 - b. Who will be conducting the assessments?
 - c. Distribution of buildings
 - d. Data collection – for the U.S. Department of Energy Score & Store database
2. Facilitated discussion on other issues
 - a. Rulemaking process – status update
 - b. Training needs and opportunities
 - c. Marketing and outreach to consumers
3. How can the NSOE help jurisdictions to comply with the new law?
4. Other issues?
5. Adjourn
