

Office of the Governor
Nevada State Office of Energy

PROJECT REGISTRATION FORM
FOR PARTIAL ABATEMENTS FROM TAXES IMPOSED ON REAL PROPERTY
(Pursuant to the Adopted Regulation of LCB File No. R116-07)

- Please complete all sections of this registration form. Incomplete forms will be returned.
- Please provide any additional information for each section, using attachments if necessary
- NRS 701A.100(2)(c) and Sec. 22(1)(b) of LCB File No. R116-07 require a building or other structure to obtain:
 - (1) At least 3 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the silver level;
 - (2) At least 5 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the gold level; and
 - (3) At least 8 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the platinum level.
- If the certification of the building or other structure (Sec. 4) will be based on LEED-NC (Sec. 13) or LEED-CS (Sec. 10), this applications should be submitted to the Office of Energy **within 120 days** after receiving local government approval (Sec. 15) of the construction project [Sec. 23. 1.(a)]
- if the certification of the building or other structure will be based on LEED-EB (Sec. 11), this applications should be submitted to the Office of Energy **within 120 days** after registering the project with the U.S. Green Building Council [Sec.23.1.(b)]
- This application will not be accepted if a building or other structure that on the date the application is registered has been issued a certificate of occupancy and has been certified by the U.S. Green Building Council (Sec. 23.5) unless a waiver can be granted pursuant to Sec. 30.

Mail Registration Form and Attachments to:

Stacey Crowley, Director
Nevada State Office of Energy
755 North Roop Street, Suite 202
Carson City, NV 89701

Project Title Associated With the Development or Modification of this Property (Sec 23.2.f)

Title
Additional Information:

Is the project registered with the USGBC in a campus or multi-building setting?

Yes ___

No ___

If yes, estimated total gross square footage of the project is:

For each building or other structure included within the affected real property (Sec. 23.2.g and Sec. 23.2.k)

Estimated gross square footage:	number of floors:
Proposed use of building or structure:	
Estimated cost of design & construction or retrofit of the building or structure (\$):	
Estimated cost of maintenance and operation of the building or structure (\$):	
Actual or estimated date of the start of the construction or retrofit:	
Expected date of occupancy of the building or other structure:	
The applicable LEED standard and version on which the certification of the building or other structure will be based: LEED-NC ___ LEED-CS ___ LEED-EB ___ Version:	

**Office of the Governor
Nevada State Office of Energy**

- Please ATTACH a copy of the local government approval of the construction project (Sec. 15 and Sec. 23.2.1)
- Please attach proof that the building or other structure has been registered with the U.S. Green Building Council (USGBC) [Sec 23.2.g(7)].
- Please attach a statement containing the anticipated level and number of the applicable LEED standard at which the applicant expects the building or structure to be certified, in the form of a USGBC checklist identifying the specific LEED credits that the project team intends to achieve (Sec. 23.2.g(9)).
- Please attach a statement explaining the anticipated points and how these points will be achieved for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance)
- Please attach a statement specifying the desired year and the percent abatement anticipated per the table set forth in adopted regulation of LCB File No. R116-07 (Sec. 29)

Is any funding for the acquisition, design or construction of the building or structure and associated land being provided by a governmental entity in this State?
[Sec. 7 and Sec. 23.g(10)]

Yes ___ No ___

If yes, please list all sources of funding for the acquisition, design, or construction of the building or structure, and associated land provided by a governmental entity in this State [Sec.23.g(11)]:

Is this building or other structure expected to receive any other abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS [Sec.23.2.g(12)]?

Yes ___ No ___

If yes, please list all expected abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS.

Office of the Governor
Nevada State Office of Energy

Is this building or other structure, or any part thereof, or expected in the future to be exempt from the taxes imposed on real property by chapter 361 of NRS pursuant to any provision of law other than NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS (Sec 23.2.i)?

Yes___

No ___

If yes, please explain

Has the building or other structure been issued a certificate of occupancy and certified by the U.S. Green Building Council (Sec 23.5)?

Yes___

No ___

If yes, please list the

Date the certificate of occupancy was issued:

Date the building or other structure was certified by USGBC:

Please list any improvements in the project that are not expected to be considered for LEED certification (Sec. 23.2.j):

Office of the Governor
Nevada State Office of Energy

Please identify any information included in this application which the applicant considers to be confidential (Sec. 23.4) and provide a citation to the specific statute or other legal authority that makes the identified information, confidential

**Office of the Governor
Nevada State Office of Energy**

NOTE:

- 1) If this application form is submitted for a project that has not been completed on the date of that submission and there is a significant change in the scope of the project after that date, the applicant must amend the application to include the change **within 60 days** after the occurrence of the change (Sec. 24 and Sec. 20). In such cases, please use the “Significant Change in the scope of the project reporting form”.

- 2) Within 48 months after this application is submitted, the applicant must submit to the Director (Sec. 25):
 - (a) Proof that the building or other structure meets the equivalent of the silver level or higher of the LEED Green Building Rating System adopted by the Director (Sec. 25 and Sec. 26); or

 - (b) An application to extend the period for providing such proof.

If an applicant has not submitted the proof or an application for extension, this application will be considered abandoned and notification will be sent to the parties listed in Sec.25.2 of R116-07.

Being owner, member, partner, officer or employee with signatory authorization for the business, I do hereby declare that the facts herein stated are true and correct.
