

GOVERNOR'S OFFICE OF ENERGY
PAUL A. THOMSEN, DIRECTOR
775 North Roop Street, Suite 202
Carson City, Nevada 89701
(775) 687-1850

**ANNUAL COMPLIANCE REPORT
FOR RENEWABLE ENERGY TAX ABATEMENT PARTICIPANTS**

INSTRUCTIONS

1. All information to be provided in this Annual Compliance Report shall be from either the date of approval of the partial tax abatements by the Director or the date of the last filed Annual Compliance Report, whichever is applicable.
2. The Annual Compliance Report and all accompanying documents must be received by 5:00 p.m. on or before the anniversary date in which the abatement was originally granted.

A thirty-day extension may be granted upon a request in writing and subject to approval by the Director. An Annual Compliance Report will not be deemed filed until all the questions and accompanying documents are received by the Director.

3. If any or all of the ownership of the project has been sold or transferred to a successor-in-interest, then the successor-in-interest must be identified in a statement attached to this Annual Compliance Report and information from the successor-in-interest must be provided as required.
4. Your response to the Annual Compliance Report shall consist of supplying information for the Required Information and any supporting documentation requested by the Director to demonstrate compliance with the relevant regulation (NAC 701A.500-660) and Nevada Revised Statutes (NRS 701a.300-390).
5. Please provide the attached "Third Party Administrator Insurance Certification" to the third party administrator(s) of any and all insurance plans (including to contractors and sub-contractors), to be completed and filed with your annual report (see Required Information #4). Other documentation may be approved by the Director as per NAC 701A.590(5).
6. Print, sign, and return this report either electronically to slinfante@energy.nv.gov, or via standard mail to the address above.

Project/Facility	AFN

Completed By (Name, Title)	Reporting Period

Mailing Address

REQUIRED INFORMATION

(Please fill in or attach items as applicable)

1. At the time of filing this report, the facility:
 - Achieved Commercial Operation during the reporting period (proceed to #2)
 - Is under construction (answer #5-8 only)
 - Was operational during the entire reporting period (answer #8-9 only)

2. The facility achieved commercial operation on _____, 20__.

3. Please provide the following information regarding the facility:
 - (a) Total capital investment (actual) \$ _____
 - (b) Nameplate capacity (actual) _____ MW
 - (c) Transmission line capacity, length, size (actual) _____

4. Please provide evidence that each full-time employee who was engaged in the construction of the project was provided health insurance as required by NRS 701A.365(d)(4)(I) or 701A.365(e)(4)(I) by submitting the required Third Party Insurance Certification(s) (NAC 701A.590).

5. The average hourly wage ("wage" having the meaning ascribed in NRS 338.010 if approved after July 1, 2013. Prior to July 1, 2013, the "wage" is defined as only the hourly rate of pay) of the employees working on the construction of the facility, excluding management and administrative employees, during this reporting period is \$ _____ per hour. The average hourly wage during the entire construction period was \$ _____ (N/A if under construction) per hour.

**ANNUAL COMPLIANCE REPORT
FOR RENEWABLE ENERGY TAX ABATEMENT PARTICIPANTS**

6. There were _____ full-time employees working on the construction of the facility during the second quarter of construction, including at least ____ who were residents of Nevada.
7. Please attach a separate list of (a) all contractors, subcontractors, or others who have been recognized as being entitled to claim the partial sales and use tax abatement, and (b) all contractors and subcontractors that engaged in construction activities at the site of the facility.
8. Please attach a separate sheet of paper identifying and describing any “significant change” to the project that has occurred since the execution of the abatement agreement regarding this project or since the last filed Annual Compliance Report. A “Significant Change” is a substantive and material change in the size or scope of a project or facility from that described in the original application. Refer to NAC 701A.545 for complete definition. N/A
9. The average hourly wage of the employees engaged in the maintenance or operation of the facility, excluding management and administrative employees is \$ _____ per hour.

CERTIFICATION

By signing below, each signor agrees, certifies, and acknowledges the following:

1. If the facility has achieved Commercial Operation, the Capital Investment as stated herein has been calculated in accordance with NAC 701A, and meets or exceeds the requirements set forth in NRS 701A.365(d) and (e).
2. If the facility has achieved Commercial Operation, the average hourly wage paid by the facility to the employees in this State engaged in work that furthers the maintenance of operation of the facility, meets or exceeds the requirements set forth in NRS 701a.365 and calculated in accordance with NAC 701A.590.
3. If the facility achieved Commercial Operation during this reporting period or is under construction, the average hourly wage paid to the employees engaged in the construction of the facility meets or exceeds the requirements set forth in NRS 701a.365 and calculated in accordance with NAC 701A.590.
