

**State of Nevada
Governor's Office of Energy**

**CERTIFICATE OF ELIGIBILITY REQUEST FORM
FOR PARTIAL ABATEMENTS FROM TAXES IMPOSED ON REAL PROPERTY
(Pursuant to NAC 701A.010-290)**

- This application should be submitted to the Director if the project has been issued a registration number by the Governor's Office of Energy (GOE) pursuant to the provisions of NAC 701A.010-290 and has proof that the building or other structure meets the equivalent of the silver level or higher under the LEED rating system or the equivalent of two Green Globes or higher under the Green Globes rating system adopted by the Director.
- Please complete all sections of this form. Incomplete forms will be returned.
- Please provide any additional information for each section, using attachments if necessary.
- If a certificate of eligibility is issued:
 - (a) On or after July 1 and on or before March 31 of a fiscal year, the abatement becomes effective on July 1 of the immediately following fiscal year. The Director will not issue a certificate of eligibility on or before March 31 of a fiscal year with respect to an application that is not submitted to the Director on or before February 1 of that fiscal year.
 - (b) On or after April 1 and on or before June 30 of a fiscal year, the abatement becomes effective on July 1 of the following fiscal year.
[NAC 701A.240§6].
- Please note that issuing a certificate of eligibility for a property tax abatement can take up to 120 days after receiving complete form [NAC 701A.240§3].

Please mail one completed form to:

Angela Dykema, Director
Governor's Office of Energy
755 North Roop Street, Suite 202
Carson City, NV 89701

Is the completed project certified by the USGBC or GBI in a campus or multi-building setting?

Yes ___

No ___

If yes, total square footage of the USGBC or GBI certified real property is:

If yes, attach a list of buildings or other structures included within the USGBC or GBI certified real property.

For each building or other structure included within the USGBC or GBI certified real property, please complete the following:

Square footage:	Number of floors:		
Proposed use of building or structure:			
Final cost of construction (of newly constructed buildings) <u>or</u> retrofitting (for existing structures) of the building or structure (\$):			
Final cost of energy efficient improvements for each building affected by this application:			
Estimated cost of maintenance and operation of the building or structure (\$):			
Actual date of the start of the construction or retrofit:			
Actual date of occupancy of the building or other structure:			
Provide Annual Savings and usage data:			
Energy (kWh):	Savings:	Baseline Use:	% Svngs:
Water (gallons):	Savings:	Baseline Use:	% Svngs:
Gas (Therms):	Savings:	Baseline Use:	% Svngs:
The applicable Green Building standard, version, credit points, and level on which the certification of the building or other structure are based:			
LEED-NC__ LEED-CS__ LEED-EB__ GG-NC__ GG-CIEB__			
Version: _____ Total Points ____ OEP Points _____			
Silver ____ Gold ____ Platinum ____			

Information of the third party commissioning firm that provided the fundamental building systems commissioning or existing building commissioning services on the project:

**State of Nevada
Governor's Office of Energy**

Name:		
Address:		
City:	State:	Zip Code:
Telephone:	Fax:	Email:

- Please attach the following documents as proof that a building or other structure for which a partial tax abatement is sought meets the silver level or higher under the LEED rating system or the equivalent of two Green Globes or higher under the Green Globes rating system [NAC 701A.250]:
 1. An original or certified copy of a letter from USGBC or GBI informing the applicant that the building or other structure meets the LEED silver level or equivalent of 2 Green Globes;
 2. Official documentation issued by the USGBC or GBI setting forth the total number of points obtained by the building or other structure; under the Green Globes standards this will also include the GBI assigned third-party assessor review and certification.
 3. An overall project narrative;
 4. The documentation submitted to the USGBC or GBI to obtain points for water efficiency under the Green Building Rating System;
 5. The documentation submitted to the USGBC or GBI to obtain points under the Green Building Rating System for “Optimize Energy Performance”, including, without limitation, any pertinent information regarding general building energy model, energy performance, building energy performance baseline, baseline and proposed design input parameters, baseline performance, performance rating, percentage improvement and points achieved;
 6. The certification letter and documentation obtained from an independent third-party commissioning firm related to the fundamental building systems commissioning or existing building commissioning services on the project, as applicable (LEED Rating System only) [NAC 701A.210§2].
- Please attach a statement and list of all sources of any funding [NAC 701A.270§1(d) and 701A.060] for the acquisition, design or construction of the building or other structure, and associated land, is being provided by a governmental entity in this State [NAC 701A.250§2(a)].
- Please attach a statement whether the building or other structure is receiving or is expected to receive any other abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS

**State of Nevada
Governor's Office of Energy**

[NAC 701A.250§2(b)].

- A statement whether the building or other structure, or any part thereof, is or is expected in the future to be exempt from the taxes imposed on real property by chapter 361 of NRS pursuant to any provision of law other than NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS [NAC 701A.250.2(c)].

Please list any improvements in the project that are not considered for certification:

Please identify any information included in this application which the applicant considers to be confidential (Sec. 23.4) and provide a citation to the specific statute or other legal authority that makes the identified information confidential [NAC 701A.220§4(a)].

I, the undersigned, hereby grant to the Governor's Office of Energy access to all pertinent and relevant records and documents of the aforementioned company. I understand this requirement is necessary to qualify and to monitor for compliance of all statutory and regulatory provisions pertaining to this application.

Being owner, member, partner, officer or employee with signatory authorization for the business, I do hereby declare that the facts herein stated are true and that all licensing and permitting requirements will be met prior to commencement of occupancy:
