*LEED or Green Globes rating system and certification from the U.S. Green Building Council (USGBC) or the Green Building Initiative (GBI). New Construction (NC), Existing Buildings (EB), Commercial Interiors (CI), Core & Shell (CS)

**There are four levels of certification that a building can receive Certified, Silver, Gold and Platinum. However, applicants must earn a minimum number of points for energy conservation and meet the Silver Level or higher through the LEED or GG rating system

***The Fiscal Note is a projection based on the initial information submitted.
