

**State of Nevada
Governor's Office of Energy**

**PROJECT REGISTRATION FORM
FOR PARTIAL ABATEMENTS FROM TAXES IMPOSED ON REAL PROPERTY
(Pursuant to NAC 701A.220)**

- Complete all sections of this registration form and provide any additional information, using attachments if necessary. Remit registration form with \$1,750 fee payable to the Governor's Office of Energy.
- NRS 701A.100(2)(c), as modified by AB 33, Sec. 1(2)(d), requires a building or other structure to obtain:
 - (1) At least 5 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the silver level;
 - (2) At least 7 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the gold level; and
 - (3) At least 11 points for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance), to meet the equivalent of the platinum level.
- Pursuant to NAC 701A.220, if the certification of the building or other structure (Sec. 4) will be based on LEED-NC (Sec. 13) or LEED-CS (Sec. 10), this application should be submitted to the Governor's Office of Energy **within 120 days** after receiving local government approval (Sec. 15) of the construction project [Sec. 23. 1.(a)]
- If the certification of the building or other structure will be based on LEED-EB (Sec. 11), this applications should be submitted to the Office of Energy **within 120 days** after registering the project with the U.S. Green Building Council [Sec.23.1.(b)]
- An application will only be accepted if a building or other structure that on the date the application is registered has been issued a certificate of occupancy or has been registered by the U.S. Green Building Council (Sec. 23.5) unless a waiver can be granted pursuant to Sec. 30.

Mail Registration Form and Attachments to:

Paul A. Thomsen, Director
Nevada Governor's Office of Energy
755 North Roop Street, Suite 202
Carson City, NV 89701

Email:

Project Title Associated With the Development or Modification of this Property (Sec 23.2.f)

Title
Additional Information:

Is the project registered with the USGBC in a campus or multi-building setting?

Yes

No

If yes, estimated total gross square footage of the project is:

For each building or other structure included within the affected real property (Sec. 23.2.g and Sec. 23.2.k)

Estimated gross square footage:	number of floors:
Proposed use of building or structure:	
Estimated incremental cost of design & construction of the energy-efficiency improvements incorporated within the building or structure (\$):	
Estimated cost of maintenance and operation of the building or structure (\$):	
Actual or estimated date of the start of the construction or retrofit:	
Expected date of occupancy of the building or other structure:	

**State of Nevada
Governor's Office of Energy**

The applicable LEED standard and version on which the certification of the building or other structure will be based:

LEED-NC ___ LEED-CS ___ LEED-EB ___

Version:

- Please ATTACH a copy of the local government approval of the construction project (Sec. 15 and Sec. 23.2.1)
- Please attach proof that the building or other structure has been registered with the U.S. Green Building Council (USGBC) [Sec 23.2.g(7)].
- Please attach a statement containing the anticipated number of points and certification level of the applicable LEED standard at which the applicant expects the building or structure to be certified, in the form of a USGBC checklist identifying the specific LEED credits that the project team intends to achieve (Sec. 23.2.g(9)).
- Please attach a statement explaining the anticipated points and how these points will be achieved for energy conservation under the LEED Green Building Rating System for Energy and Atmosphere Credit 1 (Optimize Energy Performance).
- Please attach a statement specifying the desired term and the percent abatement anticipated per the table set forth in NAC 701A.280 and modified (by reference) by AB 33 Sec. 1(2)(c). [Please note: AB 33 changed the threshold point totals, so that the terms listed within the table for 3 or 4 points of "energy conservation" credits are no longer valid].

Is any funding for the acquisition, design or construction of the building or structure and associated land being provided by a governmental entity in this State?
[Sec. 7 and Sec. 23.g(10)]

Yes ___ No ___

If yes, please list all sources of funding for the acquisition, design, or construction of the building or structure, and associated land provided by a governmental entity in this State [Sec.23.g(11)]:

Is this building or other structure expected to receive any other abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS [Sec.23.2.g(12)]?

Yes ___ No ___

If yes, please list all expected abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS.

**State of Nevada
Governor's Office of Energy**

Is this building or other structure, or any part thereof, or expected in the future to be exempt from the taxes imposed on real property by chapter 361 of NRS pursuant to any provision of law other than NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS (Sec 23.2.i)?

Yes ___ No ___

If yes, please explain: _____

Has the building or other structure been issued a certificate of occupancy and certified by the U.S. Green Building Council (Sec 23.5)?

Yes ___ No ___

If yes, please list the:

Date the certificate of occupancy was issued:

Date the building or other structure was certified by USGBC:

Please list any improvements in the project that are not expected to be considered for LEED certification (Sec. 23.2.j):

**State of Nevada
Governor's Office of Energy**

Please identify any information included in this application which the applicant considers to be confidential (Sec. 23.4) and provide a citation to the specific statute or other legal authority that makes the identified information, confidential.

NOTE:

- 1) If this application form is submitted for a project that has not been completed on the date of that submission and there is a significant change in the scope of the project after that date, the applicant must amend the application to include the change **within 60 days** after the occurrence of the change (Sec. 24 and Sec. 20). In such cases, please use the "Significant Change in the Scope of the Project Reporting Form".

- 2) Within 48 months after this application is submitted, the applicant must submit to the Director (Sec. 25):
 - (a) Proof that the building or other structure meets the equivalent of the silver level or higher of the LEED Green Building Rating System adopted by the Director (Sec. 25 and Sec. 26); or

 - (b) An application to extend the period for providing such proof.

If an applicant has not submitted the proof or an application for extension, this application will be considered abandoned and notification will be sent to the parties listed in Sec.25.2 of R116-07.

Being owner, member, partner, officer or employee with signatory authorization for the business, I do hereby declare that the information herein stated is true and correct to the best of my knowledge and understanding.
