**1. OVERVIEW OF PROJECT**

The Governor's Office of Energy (GOE) has a revolving loan program for the funding of renewable energy systems, energy efficiency, energy conservation, and the manufacturing of renewable energy components authorized by AB522 in the 2009 legislative session. The Revolving Loan Fund was originally funded with over \$12 million in American Recovery and Reinvestment Act (ARRA) stimulus funds. The intent of the Revolving Loan Program is for it to be continued in perpetuity so that as funds revolve back to the Fund new loans may be granted.

Proposals for **title, escrow, and voucher control services** are requested in the event the GOE requires the services described in the Scope Of Work. The services are to be used on a case-by-case basis as needed by the GOE. Services may be needed for all 17 counties in the state of Nevada. Contracts may be awarded to more than one contractor to ensure statewide coverage in the event the highest ranked respondents are unable to provide services in all 17 counties.

- 10.1.3 Conformance with the terms of this RFP
- 10.1.4 Expertise and availability of key personnel
- 10.1.5 Cost

  - 10.1.6.1 Following the evaluation and scoring process specified above, the State may require vendors to make a presentation of their proposal to the evaluation committee or other State staff, as applicable.
  - 10.1.6.2 The State, at its option, may limit participation in vendor presentations up to the four (4) highest ranking vendors.
  - 10.1.6.3 The State reserves the right to forego vendor presentations and select vendor(s) based on the written proposals submitted.

Note: Financial stability will be scored on a pass/fail basis.

**Proposals shall be kept confidential until a contract is awarded.**

- 10.2 The evaluation committee may also contact the references provided in response to the Section identified as Company Background and References; contact any vendor to clarify any response; contact any current users of a vendor's services; solicit information from

any available source concerning any aspect of a proposal; and seek and review any other information deemed pertinent to the evaluation process. The evaluation committee shall not be obligated to accept the lowest priced proposal, but shall make an award in the best interests of the State of Nevada NRS § 333.335(5)

See generally, NRS §333.335.
- 10.4 Clarification discussions may, at the State's sole option, be conducted with vendors who submit proposals determined to be acceptable and competitive NAC §333.165. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing vendors.
- 10.5 A Notification of Intent to Award shall be issued in accordance with NAC §333.170. Any award is contingent upon the successful negotiation of final contract terms and upon approval of the Board of Examiners, when required. If contract negotiations cannot be concluded successfully, the State upon written notice to all vendors may negotiate a contract with the next highest scoring vendor or withdraw the RFP.

The following State Contract Form is provided as a courtesy to vendors interested in responding to this RFP. Please review the terms and conditions in this form, as this is the standard contract used by the State for all services of independent contractors. It is not necessary for vendors to complete the Contract Form with their proposal.

If exceptions and/or assumptions require a change to the Contract Form, vendors *must* provide the specific language that is being proposed on *Attachment B, Technical Proposal Certification of Compliance with Terms and Conditions of RFP*.

**Please pay particular attention to the insurance requirements, as specified in Paragraph 16 of the embedded contract and *Attachment E, Insurance Schedule*.**

**CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR**

A Contract Between the State of Nevada  
Acting By and Through Its

(NAME, ADDRESS, PHONE AND FACSIMILE NUMBER OF CONTRACTING AGENCY)

and

(NAME, CONTACT PERSON, ADDRESS, PHONE, FACSIMILE NUMBER OF INDEPENDENT CONTRACTOR)

WHEREAS, NRS 333.700 authorizes elective officers, heads of departments, boards, commissions or institutions to engage, subject to the approval of the Board of Examiners, services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor is both necessary and in the best interests of the State of Nevada;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. REQUIRED APPROVAL. This Contract shall not become effective until and unless approved by the Nevada State Board of Examiners.

2. DEFINITIONS. "State" means the State of Nevada and any state agency identified herein, its officers, employees and immune contractors as defined in NRS 41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year. "Current State Employee" means a person who is an employee of an agency of the State. "Former State Employee" means a person who was an employee of any agency of the State at any time within the preceding 24 months.

3. CONTRACT TERM. This Contract shall be effective from \_\_\_\_\_ subject to Board of Examiners' approval (anticipated to be \_\_\_\_\_) to \_\_\_\_\_, unless sooner terminated by either party as specified in paragraph ten (10).

4. **NOTICE.** Unless otherwise specified, termination shall not be effective until \_\_\_\_ calendar days after a party has served written notice of termination for default, or notice of termination without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.

5. **INCORPORATED DOCUMENTS.** The parties agree that this Contract, inclusive of the following attachments, specifically describes the scope of work. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA: STATE SOLICITATION OR RFP # \_\_\_\_\_ and AMENDMENT(S) # \_\_\_\_;  
ATTACHMENT BB: INSURANCE SCHEDULE: And  
ATTACHMENT CC: CONTRACTOR'S RESPONSE

A Contractor's Attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract.

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in paragraph five (5) at a cost of \$ \_\_\_\_\_ per \_\_\_\_\_ (state the exact cost or hourly, daily, or weekly rate exclusive of travel or per diem expenses) with the total Contract or installments payable: \_\_\_\_\_, not to exceed \$ \_\_\_\_\_. The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of legislative appropriation may require.

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. **BILLING SUBMISSION: TIMELINESS.** The parties agree that timeliness of billing is of the essence to the contract and recognize that the State is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the State no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the State of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

9. **INSPECTION & AUDIT.**

a. **Books and Records.** Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. **Inspection & Audit.** Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant state agency or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. **Period of Retention.** All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. **CONTRACT TERMINATION.**

a. **Termination Without Cause.** Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties, or unilaterally by either party without cause.

b. State Termination for Non-appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

- i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
- ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
- iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
- iv. If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
- v. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
- vi. If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph four (4), and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
- iv. Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with paragraph twenty-one (21).

11. REMEDIES. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include, without limitation, one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190. In the event that the Contractor voluntarily or involuntarily becomes subject to the jurisdiction of the Bankruptcy Court, the State may set off consideration against any unpaid obligation of Contractor to the State or its agencies, to the extent allowed by bankruptcy law, without regard to whether the procedures of NRS 353C.190 have been utilized.

12. LIMITED LIABILITY. The State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. **INDEMNIFICATION.** To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. **INDEPENDENT CONTRACTOR.** Contractor is associated with the State only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the State whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the State shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the State; (4) participation or contributions by either Contractor or the State to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, nor representatives shall be considered employees, agents, or representatives of the State. The State and Contractor shall evaluate the nature of services and the term of the Contract negotiated in order to determine "independent contractor" status, and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

		<u>Contractor's Initials</u>	
		YES	NO
1.	Does the Contracting Agency have the right to require control of when, where and how the independent contractor is to work?	_____	_____
2.	Will the Contracting Agency be providing training to the independent contractor?	_____	_____
3.	Will the Contracting Agency be furnishing the independent contractor with worker's space, equipment, tools, supplies or travel expenses?	_____	_____
4.	Are any of the workers who assist the independent contractor in performance of his/her duties employees of the State of Nevada?	_____	_____
5.	Does the arrangement with the independent contractor contemplate continuing or recurring work (even if the services are seasonal, parttime, or of short duration)?	_____	_____
6.	Will the State of Nevada incur an employment liability if the independent contractor is terminated for failure to perform?	_____	_____
7.	Is the independent contractor restricted from offering his/her services to the general public while engaged in this work relationship with the State?	_____	_____

16. **INSURANCE SCHEDULE.** Unless expressly waived in writing by the State, Contractor, as an independent contractor and not an employee of the State, must carry policies of insurance and pay all taxes and fees incident hereunto. Policies shall meet the terms and conditions as specified within this Contract along with the additional limits and provisions as described in Attachment BB, incorporated hereto by attachment. The State shall have no liability except as specifically provided in the Contract.

The Contractor shall not commence work before:

- 1) Contractor has provided the required evidence of insurance to the Contracting Agency of the State, and
- 2) The State has approved the insurance policies provided by the Contractor.

Prior approval of the insurance policies by the State shall be a condition precedent to any payment of consideration under this Contract and the State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of the State to timely approve shall not constitute a waiver of the condition.

**Insurance Coverage:** The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the Contract insurance conforming to the minimum limits as specified in Attachment BB, incorporated hereto by

attachment. Unless specifically stated herein or otherwise agreed to by the State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until:

1. Final acceptance by the State of the completion of this Contract; or
  2. Such time as the insurance is no longer required by the State under the terms of this Contract;
- Whichever occurs later.

Any insurance or self-insurance available to the State shall be in excess of, and non-contributing with, any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the State, Contractor shall provide the State with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

**General Requirements:**

- a. Additional Insured: By endorsement to Contractor's general liability insurance policy, the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 shall be named as additional insureds for all liability arising from the Contract.
- b. Waiver of Subrogation: Each insurance policy shall provide for a waiver of subrogation against the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307, for losses arising from work/materials/equipment performed or provided by or on behalf of the Contractor.
- c. Cross-Liability: All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- d. Deductibles and Self-Insured Retentions: Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the State. Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed fifty thousand dollars (\$50,000.00) per occurrence, unless otherwise approved by the Risk Management Division.
- e. Policy Cancellation: Except for ten (10) days notice for non-payment of premium, each insurance policy shall be endorsed to state that without thirty (30) days prior written notice to the State of Nevada, c/o Contracting Agency, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address shown on page one (1) of this contract:
- f. Approved Insurer: Each insurance policy shall be:
  - 1) Issued by insurance companies authorized to do business in the State of Nevada or eligible surplus lines insurers acceptable to the State and having agents in Nevada upon whom service of process may be made; and
  - 2) Currently rated by A.M. Best as "A-VII" or better.

**Evidence of Insurance:**

Prior to the start of any Work, Contractor must provide the following documents to the contracting State agency:

- 1) Certificate of Insurance: The Acord 25 Certificate of Insurance form or a form substantially similar must be submitted to the State to evidence the insurance policies and coverages required of Contractor. The certificate must name the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 as the certificate holder. The certificate should be signed by a person authorized by the insurer to bind coverage on its behalf. The state project/contract number; description and contract effective dates shall be noted on the certificate, and upon renewal of the policies listed Contractor shall furnish the State with replacement certificates as described within Insurance Coverage, section noted above.

**Mail all required insurance documents to the State Contracting Agency identified on page one of the contract.**

- 2) Additional Insured Endorsement: An Additional Insured Endorsement (CG 20 10 11 85 or CG 20 26 11 85) , signed by an authorized insurance company representative, must be submitted to the State to evidence the endorsement of the State as an additional insured per General Requirements, subsection a above.
- 3) Schedule of Underlying Insurance Policies: If Umbrella or Excess policy is evidenced to comply with minimum limits, a copy of the underlying Schedule from the Umbrella or Excess insurance policy may be required.

Review and Approval: Documents specified above must be submitted for review and approval by the State prior to the commencement of work by Contractor. Neither approval by the State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract.

Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under this Contract or otherwise. The State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

17. COMPLIANCE WITH LEGAL OBLIGATIONS. Contractor shall procure and maintain for the duration of this Contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such government obligations not paid by its subcontractors during performance of this Contract. The State may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

18. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations or duties under this Contract without the prior written consent of the State.

21. STATE OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the State and all such materials shall be delivered into State possession by Contractor upon completion, termination, or cancellation of this Contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this Contract without the prior written consent of the State. Notwithstanding the foregoing, the State shall have no proprietary interest in any materials licensed for use by the State that are subject to patent, trademark or copyright protection.

22. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State has a legal obligation to disclose such information unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

23. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this Contract

24. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this Contract:

- a. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.
- b. Contractor and its subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.
- c. Contractor and its subcontractors shall comply with the requirements of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not

discriminate against any employee or offeror for employment because of race, national origin, creed, color, sex, religion, age, disability or handicap condition (including AIDS and AIDS-related conditions.)

25. LOBBYING. The parties agree, whether expressly prohibited by federal law, or otherwise, that no funding associated with this contract will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

- a. Any federal, state, county or local agency, legislature, commission, counsel or board;
- b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or
- c. Any officer or employee of any federal, state, county or local agency; legislature, commission, counsel or board.

26. WARRANTIES.

a. General Warranty. Contractor warrants that all services, deliverables, and/or work product under this Contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.

b. System Compliance. Contractor warrants that any information system application(s) shall not experience abnormally ending and/or invalid and/or incorrect results from the application(s) in the operating and testing of the business of the State.

27. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. Contractor acknowledges that as required by statute or regulation this Contract is effective only after approval by the State Board of Examiners and only for the period of time specified in the Contract. Any services performed by Contractor before this Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor.

28. NOTIFICATION OF UTILIZATION OF CURRENT OR FORMER STATE EMPLOYEES. Contractor has disclosed to the State all persons that the Contractor will utilize to perform services under this Contract who are Current State Employees or Former State Employees. Contractor will not utilize any of its employees who are Current State Employees or Former State Employees to perform services under this contract without first notifying the Contracting Agency of the identity of such persons and the services that each such person will perform, and receiving from the Contracting Agency approval for the use of such persons.

29. ASSIGNMENT OF ANTITRUST CLAIMS. Contractor irrevocably assigns to the State any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of State of Nevada or federal antitrust laws in connection with any goods or services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Contract, including, at the State's option, the right to control any such litigation on such claim for relief or cause of action. Contractor shall require any subcontractors hired to perform any of Contractor's obligations under this Contract to irrevocably assign to the State, as third party beneficiary, any right, title or interest that has accrued or which may accrue in the future by reason of any violation of state of Nevada or federal antitrust laws in connection with any goods or services provided to the subcontractor for the purpose of carrying out the subcontractor's obligations to the Contractor in pursuance of this Contract, including, at the State's option, the right to control any such litigation on such claim or relief or cause of action.

30. GOVERNING LAW; JURISDICTION. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict of laws that would require the application of the law of any other jurisdiction. The parties consent to the exclusive jurisdiction of the First Judicial District Court, Carson City, Nevada for enforcement of this Contract.

31. ENTIRE CONTRACT AND MODIFICATION. This Contract and its integrated attachment(s) constitute the entire agreement of the parties and as such are intended to be the complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be construed consistent with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto and approved by the Office of the Attorney General and the State Board of Examiners.

The following Insurance Schedule is provided as a courtesy to vendors interested in responding to this RFP. Please review the terms and conditions in the Insurance Schedule, as this is the standard insurance schedule used by the State for all services of independent contractors.

### **INDEMNIFICATION CLAUSE:**

Contractor shall indemnify, hold harmless and, not excluding the State's right to participate, defend the State, its officers, officials, agents, and employees (hereinafter referred to as "Indemnatee") from and against all liabilities, claims, actions, damages, losses, and expenses including without limitation reasonable attorneys' fees and costs, (hereinafter referred to collectively as "claims") for bodily injury or personal injury including death, or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee shall, in all instances, except for claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Contractor from and against any and all claims. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. **ATTACHMENT J - ARRA SPECIAL TERMS AND CONDITIONS**

**SPECIAL TERMS AND CONDITIONS TO BE INCLUDED IN AGREEMENTS  
FUNDED IN WHOLE OR IN PART  
BY THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009**

The following are Special Terms and Conditions to be used for procurements funded by the American Recovery and Reinvestment Act of 2009. Other special terms and conditions may be developed and included when appropriate or as required by the Federal granting agency.

- 1. GENERAL:** This contract is governed by the provisions of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5 (the “Recovery Act” or “ARRA”) and Federal Regulations and other guidance from the federal government implementing the Recovery Act (collectively, “Recovery Act Requirements” or “ARRA Requirements”), and the Recipient agrees that it will comply with all Recovery Act Requirements applicable to this agreement. In the event of a conflict between the terms of this agreement and the Recovery Act Requirements, the provisions of the Recovery Act Requirements shall be controlling. The Recipient acknowledges that these Special Terms and Conditions may require changes due to future revisions of the Recovery Act Requirements, and Recipient agrees that it shall comply with any such changes upon receipt of written notification from the state of Nevada of such changes. Such changes will become a material part of the agreement without the necessity of either party executing an amendment to this agreement. Recipient also agrees that it will provide all information and documentation required by the state of Nevada in order to comply with the Recovery Act Requirements. Recipient agrees that, to the extent ARRA Requirements conflict with state of Nevada requirements, the ARRA Requirements shall control.
- 2. D-U-N-S® NUMBER:** All Recipients are required to provide the state of Nevada with their unique Dun & Bradstreet Data Universal Numbering System D-U-N-S® number prior to award.
- 3. JOB CREATION AND RETENTION:** The Recipient shall provide to the state of Nevada an estimate of the number of new positions created and filled, positions retained, or previously existing unfilled positions that are filled or retained as a result of this Agreement. The estimated number shall be expressed as full-time equivalent (FTE), calculated cumulatively as all hours worked divided by the total number of hours in a full-time schedule, as defined by the Recipient. The Recipient shall update the information regarding jobs creation and retention on a quarterly basis, and shall provide each updated report to the state of Nevada no later than ten business days before the end of each calendar quarter.

The Recipient shall provide a brief description of the types of jobs created or jobs retained in the United States and outlying areas. This description may rely on job titles, broader labor categories, or the Recipient’s existing practice for describing jobs provided the terms are widely understood and describe the general nature of the work.

**DESCRIPTION OF THE TYPES OF JOBS CREATED OR RETAINED**

---

---

---

---

---

The Recipient will post any job that it creates or seeks to fill as a result of the ARRA funding to the Department of Employment Training and Rehabilitation’s job bank at: [http://www.detr.state.nv.us/es/es\\_job\\_order.htm](http://www.detr.state.nv.us/es/es_job_order.htm) notwithstanding any other posting they might make. Any advertisements posted by the Recipient for positions pursuant to this agreement must indicate that the position is funded by the American Recovery and Reinvestment Act of 2009.

4. **AUDITING:** The Recipient shall retain all books, records, and other documents to this agreement for five (5) years after final payment. Section 902 of the American Recovery and Reinvestment Act of 2009 provides the U.S. Comptroller General and his representatives with the authority to:
  - a. Examine any records of the Recipient or any of its subcontractors, or any State or local agency administering such agreement, that directly pertain to, and involve transactions relating to, the agreement or any subcontract; and
  - b. Interview any officer or employee of the Recipient or any of its subcontractors, or of any State or local government agency administering the agreement regarding such transaction.

Accordingly, the Comptroller General and his representatives shall have the authority and rights as provided under Section 902 of the Recovery Act with respect to this agreement, which is funded with funds made available under the Recovery Act. Section 902 further states that nothing in this section shall be interpreted to limit or restrict in any way any existing authority of the Comptroller General.

Additionally, Section 1515(a) of the Recovery Act provides authority for any representatives of an appropriate inspector general appointed under Section 3 or 8G of the Inspector General Act of 1978 to examine any records or interview any employee or officers of the Recipient or its subcontractors working on this agreement. The Recipient is advised that any representatives of an appropriate Inspector General appointed under Section 3 or 8G of the Inspector General Act of 1978 have the authority to examine any record and interview any employee or officer of the Recipient, its subcontractors or other firms working on this agreement. This right of examination shall also include inspection at all reasonable times of the Recipient's plants, or parts of them, engaged in performing the agreement. Section 1515(b) further provides that nothing in this section shall be interpreted to limit or restrict in any way any existing authority of an Inspector General.

The state of Nevada contracting officer and other representatives of the state of Nevada shall have, in addition to any other audit or inspection right in this agreement, all the audit and inspection rights contained in this section.

5. **BUY AMERICAN:** Section 1605 of the Recovery Act prohibits use of recovery funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. The law requires that this prohibition be applied in a manner consistent with U.S. obligations under international agreements, and it provides for waiver by the head of the federal agency awarding the ARRA funds under three circumstances:
  - a. Iron, steel, or relevant manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality;
  - b. Inclusion of iron, steel, or manufactured goods produced in the United States will increase the cost of the overall project by more than 25 percent; or
  - c. Applying the domestic preference would be inconsistent with the public interest.

#### 6. **WAGE RATE REQUIREMENTS:**

- a. Section 1606 of the Recovery Act requires that all laborers and mechanics employed by recipients and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR parts 1, 3, and 5 to implement the **Davis-Bacon** and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard **Davis-Bacon** contract clauses set forth in that section. The standard **Davis-Bacon** contract clauses found in 29 CFR 5.5(a) are incorporated into this agreement and any subcontracts that that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

b. Inquiries concerning the application of **Davis-Bacon** requirements to a particular federally assisted project should be directed to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

**7. REPORTING REQUIREMENTS:** Pursuant to Section 1512 of the ARRA, state agencies receiving ARRA funds must submit a report to the federal government containing information on the use of ARRA funds no later than ten (10) calendar days after the end of each calendar quarter. Accordingly, Recipient agrees to provide the state of Nevada with such information, no later than five (5) calendar days after the end of each calendar quarter, as is required by the state of Nevada to comply with ARRA reporting requirements. Section 1512 of ARRA, its implementing regulations (2 CFR §176.50), guidance provided by the White House Office of Management and Budget and the terms of the ARRA grant that provides funds for this agreement provide guidance on what information must be reported.

**8. SUBCONTRACTOR FLOW-DOWN REQUIREMENTS:** Recipient agrees that it shall include these supplemental terms and conditions, including this requirement, in any of its subcontracts in connection with projects funded in whole or in part with funds available under the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5.
