Teleconference call-in number: (346) 248 7799

Meeting ID: 931 9302 9089

Passcode: 083040

1. **Welcome, introductions, review agenda** (5 minutes)
2. **Solar App+** (~25 minutes)
Jeff Cook, National Renewable Energy Laboratory, Program Manager Solar App+
 - System improves customer's experience and reduce costs with a fast permitting process. SolarAPP+ reduces install times, reduces project cancellations, and expands access to renewable energy. The permitting software is designed to help building departments and installers with solar permitting and installation. Web-based PV-permitting tool for residential systems at no-cost to AHJs.
3. **Nevada Circuit Rider** (~10 minutes)
Robin Yochum, GOE, Shaunna Mozingo, MCG
 - The circuit rider program is operational – how do we get the word out for this support to the building industry in Nevada?
4. **Federal Infrastructure Bill Update** (~15 minutes)
Robin Yochum, GOE
 - Robin to provide an update on the infrastructure bill opportunities for the building industry, workforce development, training, and more.
5. **2024 IECC subcommittee participation** (~10 minutes)
Group Discussion
 - The 2024 IECC subcommittees have started in January. There are opportunities for you to participate and include your input into the design of the IECC.
6. **DOE Residential field study update** (~5 minutes)
Jim Meyers, SWEEP
 - Update on the field study and when the training phase will start in Nevada.
7. **Other updates** (~10 minutes)
All participants
 - Information that may be of interest to this group, e.g. events, adoption updates, industry information, trainings and so-forth.
8. **Wrap Up & Next Steps** (~5 minutes)
 - Closing comments
 - Next meeting date (3 months appx April 2022)
