PERMANENT EMPLOYEES			
Number of anticipated permanent employees who will be employed as of the end of its first fourth-quarter of new operations or expansion?		None	
Average anticipated hourly wage of permanent employees, excluding management and administrative employees:		N/A	
Number of permanent employees who were employed prior to the expansion?		N/A	
Average hourly wage of current permanent employees, excluding managements and administrative employees		N/A	

Employee Benefit Program for Construction Employees

Health insurance for construction employees and an option for dependents must be offered upon employment

List Benefits Included (medical, dental, vision, flex spending account, etc): Benefits for construction employees and their dependents will be determined by vendors and will be required to meet or exceed the requirements of NRS 701A.365(1)(e)(4)(I) & (II) and NAC 701A 590(5). Compliance with these requirements is mandatory for vendors and is so stated in the contracts to be provided to vendors. Copies of these contracts will be available upon request.

Name of Insurer: TBD

Cost of Total Benefit Package: TBD	Cost of Health Insurance for Construction Employees: TBD
---------------------------------------	---

* For reporting purposes, the "second quarter of construction" is weeks 13 through 26 of a 52-week construction period. However, if the construction period is expected to last more or less than 52 weeks, justification may be provided to and considered by the Director of the Governor's Office of Energy as to why there should be an adjustment in the duration or timing of the "second quarter of construction".

AFN:**

Supplemental Information

Please respond to each question. Answers to the questions will assist Department of Taxation staff in determining whether the facility should be locally or centrally assessed. Other questions will assist staff in understanding whether the reported replacement costs capture all aspects of taxable value.

1) Will you have a possessory interest in any governmentally owned property for this facility? Please describe if yes.

No

2) Will the facility, including generation, transmission, or distribution cross state or county boundaries? If yes, please describe.

No

3) Is the facility owned by a subsidiary of a company that is interstate or intercounty in nature? Name and location of the subsidiary company, if yes.

Yes. The facility is owned by Turquoise Nevada, LLC, which is a wholly-owned subsidiary of Greenbacker Renewable Energy Corporation. Please see Attachment 1 for further information regarding the organizational structure. Greenbacker Renewable Energy Corporation is a Maryland Corporation and is ultimately owned by Greenbacker Renewable Energy Company, LLC, a publicly registered, non-traded LLC based in New York, NY.

4) At what physical point is the ownership of energy transferred? Describe the location and nature of the connection to the transmission grid.

The physical point at which the ownership of energy is transferred will be NV Energy's Pah Rah substation. The Pah Rah substation is located in unincorporated Washoe County approximately one mile from the generating facility.

5) Will the facility be eligible for other abatements or exemptions such as pollution control exemptions? Please describe if yes

No

6) Has your company applied and/or been approved for any abatements or exemptions for this facility or any other facility by the State of Nevada and/or local governments? If yes, list the abatements awarded, name and location of the project, name of the awardee, date of approval, amounts and status of the accounts.

No

7) Has your company applied for, or planning to apply for, an exempt wholesale generator designation as defined in 15 U.S.C 79z-5A?

No

8) If an EIS or EA has been performed, please supply the ROD number.

No, the entirety of the Project is located on private lands.

9) Has an appraisal been performed on any portion of this land or project?

No

10) Has a Power Purchase Agreement been executed?

Yes. Executed on October 30, 2017 between Sierra Pacific Power Company a Nevada Corporation, d/b/a NV Energy and Turquo

AFN:**

**Property Tax: Personal Property
Schedule 1**

Company Name: _____

Division: _____

Instructions:

(1) List each item of personal property subject to property tax in Col A. Pursuant to NRS 361.030, personal property includes stocks of goods on hand; any vehicle not included in the definition of vehicle in NRS 371.020; all machines and machinery, all works and improvements, and all property of whatever kind or nature not included in the term "real estate" as that term is defined in NRS 361.035.

(2) For each item in Col. A, complete the requested information in Col. B and Col. D (if applicable), Col. C and Col. D through Col. J.

(3) The total estimated cost reported in Col. H should include estimated or actual costs of installation and costs of transportation per NAC 361.1351 and NAC 361.1355. Costs of installation include the costs of direct labor, direct overhead and the capitalized expense of interest or imputed charges for interest which are necessary to make the property operational.

(4) Use the Personal Property Manual published by the Department of Taxation to determine the Cost Less Depreciation in Column (J). Select the Life Schedule that is closest to the estimated life of the personal property listed in Col. I. See <http://tax.state.nv.us>. Then select: *Publications/Locally Assessed Properties/Personal Property Manual*.

(5) Attach additional sheets as necessary.
