FISCAL IMPACT
Renewable Energy Partial Abatement of Sales/Use Taxes
March 20, 2024

Escape Solar, LLC

In accordance with the provisions NRS 701A of the Nevada Revised Statutes, Escape Solar, LLC has requested a Sales and Use Tax Abatement for their Renewable Energy Project. This project is located in Lincoln County. Upon approval, this project would be granted a partial abatement of Sales and Use Tax for a period of three years, commencing on the date of approval.

The Governor's Office of Energy has provided to the Department of Taxation a completed copy of the Renewable Energy Tax Abatements Application for this project. According to Schedule 6 of this application, Escape Solar, LLC will purchase a total of \$185,500,000.00 worth of tangible personal property subject to Sales and/or Use Tax during the first year of the abatement period. At the current Sales or Use Tax rate for Lincoln County, the full Sales Tax for these purchases would be \$13,170,500.00 less any applicable collection allowance.

According to Schedule 7 of this application form, Escape Solar, LLC will purchase \$500,000.00 worth of tangible, personal property subject to Sales and/or Use Tax during the second year of the abatement period. Schedule 8 shows \$0.00 of tangible, personal property subject to Sales/and or Use Tax will be purchased during the third year.

Based on this information, the Department of Taxation projects the following Sales Tax related fiscal impact for the three years of the abatement period.
