- 1. Call to order:** The meeting was called to order at 10:12 AM by Director David Bobzien.
- 2. Introductions of Those in Attendance:** Those in attendance introduced themselves.
- 3. Public comment and discussion:** Director Bobzien asked for public comment, there was none.
- 4. Discussion of Proposed Regulation:** Ms. Wickham read through each section of the proposed regulation and asked for those in attendance to provide comment at the end of each section.

Laura Wickham: We did have a workshop on this proposed regulation amendment a couple months ago. We are now moving forward with emergency regulations as opposed to just the permanent regulations due to delays in the GOE and Legislative offices due to COVID. We wanted to make sure we had these regulations in place just in case it takes longer than anticipated. You will hear a lot of the same information. We did not make any other changes to this from the prior workshop.

Section 1. There was no public comment.

Section 2. There was no public comment.

Section 3. There was no public comment.

Section 4. Laura Wickham: Just to clarify, any funding or financing information we remove from this section does not preclude any loans which are current from having to adhere to these requirements. Any active loans we still have the authority to continue to monitor and receive payments. This section is for projects moving forward.

There was no public comment.

Section 5. There was no public comment

Section 6. There was no public comment

Section 7. There was no public comment

Director Bobzien: To reiterate, for any active, outstanding loans, these requirements are attached to those loans. We are shifting this program to a grants program and will no longer be making new loans.

Laura Wickham: That is correct. Many of these requirements are also for the initial portion of making the loan, so for qualifying, whether they were able to qualify for that loan from the beginning, will not apply to anyone because we are no longer granting loans.

5. Public comment and discussion:

Director Bobzien asked for public comment. There was no public comment.

6. Adjournment:

Director Bobzien adjourned the meeting at 10:21 AM.
